Dear all,
This is the logo contest of our eTwinning project which is about helping the Earth.
We'd like it to be a fair voting, that's why we don't reveal the schools' names.

Just look at the designs below carefully and choose the best one, please!

Before submitting, please make sure if it really gives the message of our project and it's unique (you haven't seen something similar in another project or somewhere else).
